Cookies

Certain sections of the site use cookies to maintain single user sessions as well as to aggregate broad demographic data as it relates to user behaviour. You also have choices with respect to cookies. By modifying your browser preferences, you have the choice to accept all cookies, to be notified when a cookie is set, or to reject all cookies. A cookie is a small piece of information sent by a web server to a web browser, which enables the server to collect information back from the browser.

Information Automatically Logged

We use your IP address, log user agents and referring address to help diagnose problems with our server, to administer our web site and to identify unique users. Your IP address is also used to gather broad demographic information.

Surveys and Competitions

From time to time, our site requests information from users via surveys or competitions. Participation in these surveys or competitions is completely voluntary and the user therefore has a choice whether or not to disclose this information. Information requested may include contact information, (such as name and delivery address) and demographic information (such as address, age and income level). Contact information will be used to notify the winners and award prizes. Survey information will be used for purposes of monitoring or improving the use and satisfaction of this site.
